

White Male

Found 3/10/1990

Location: Pascagoula River, Pascagoula

This was just a lower torso of an obese white male, It was calcified and petrified ( remains were not cut in half , this was due to nature)

He had been deceased between 6 months to a year

There was a set of keys in his pants pocket , Keys were rusted and went to a Chrysler. The pants were cargo pants , possibly military . Keychain was from Pensacola..

A crewman on an Army Corp of Engineer boat spotted the remains about 8:15 AM Sunday 3/10/1990

Contact Darren Versiga with the Pascagoula Police dept.
