Jessica Nicole Stacks was reported missing around 10pm on the evening of January 1, 2021. Jessica and her boyfriend, Jerry Wayne Baggett, launched a boat on the Tallahatchie River earlier that morning, at County Road 46. At some point on the trip, Stacks supposedly exited the boat, around 8pm and decided to walk back, which was the last time she was seen. Baggett continued

downstream at least a couple of miles before exiting the boat on the opposite side of the river, eventually reporting Jessica missing when she could not be located.

Rescue efforts were immediately put into place and the boat was recovered the next day, about a mile up river from the Rocky Ford Bridge at Etta. A clothing description of what Jessica was wearing at the time of disappearance is unknown.

Hers ears, tongue and nose are pieced. She has multiple tattoos, including Kayleigh on her left shoulder, a puzzle piece with the name Cobie above it and Brayden on her right wrist. (pic above) Jessica is a mom, a daughter and a friend who is terribly missed by her family.
