SOSO, MS (WDAM) - The family of a missing Soso man is hoping the public can help them find out what happened to him.

Roland Earl Plymale was last seen at a friend's home in Scott County in September of 2008 when sheriff's deputies asked him to leave after an altercation.

Three months later, in December, Plymale's truck was found in Scott County on a rural road.

Family members said people in the Smith and Scott County areas have claimed Plymale was killed and fed to alligators at a pond in Newton County.

If you have any information, or know the whereabouts of Plymale please contact your local authorities.
