

Unidentified

White Female

Located June 15, 2021

Located at Residency Inn, Jackson, Ms.

Age: Adult , pre 40

Hair Blonde with red highlights and some grey (long hair)

Small tattoo on chest that could either be a heart or a cherry

Wearing shorts and a t-shirt and no shoes

Went by the name Baby Girl or Kelly

White female found in the Residency Inn. Room was rented by an unknown person, who let other people stay there. This female apparently came up and asked if she could shower and take a nap.

The other people in the room woke up to find this unknown female was deceased in the bed. The coroner came and took the body to their facility where she tried to collect fingerprints. The latent print examiners said there were no identifiable prints and her pads were smooth with no ridges.
