

Unidentified female

Uncertain race

Found 1/14/2014

Est age: 15-29 yrs

4'10" in height

Found in Sardis, Panola County, Ms.

A cranium was found in the woods behind 583 E. Pratcher Road by a lady hunting her horse. The cranium was found in a wooded area under some trees. An additional search was conducted by Dr. Nicholas Herrmann and students of Mississippi State University under the supervision of the Panola County Coroner and the Panola County's Sheriff Department. They found two femora(left & right) near the original location of the cranium along with a piece of clothing, a gold necklace and a car jack.

Torso not recovered

One or more limbs not recovered

Skeletal parts only

car jack; close to second found femur

some old clothing found close to femur; found with gold necklace

gold necklace found next to clothing
