

Jane Doe

Located Halloween 1999

Evidence leads to believe she died before 1995

Her remains were so old, her sex cannot be determined for sure.

Est. Age: 18-25 (but less than 35 yrs old)

Height: 5'3"-5'9"

Race: indeterminant

Clothing located nearby: Grey pullover shirt, Fashion Park brand

Jordache blue jean shorts, size 7/8

"gold chain with gold cross pendant"

The clothes were shared by prostitutes who lived together. The shorts had been mark "BS," for Brownwyn Strickland, who is now deceased.

Skeletal remains found deep in the woods a quarter of a mile from the oil well in the St. Thomas area of Bolton

She was found near the skeletal remains of two murdered Jackson prostitutes who lived in the Mill St. area.
