On Thursday September 17, 2020, reporting party stated that her husband Joe Willie Giles is missing. She stated that she last saw him before dark on yesterday which is September 16, 2020. She also stated that Joe was last seen driving an older model Tan in color Chevy Tahoe with a disable tag bearing Mississippi Tag "DBQ3842." She stated that was not sure of what Joe was last wearing and that it is unusually for Joe to stay away from the house all night. She stated that she made several attempts to contact Joe by phone, but she did not get an answer last night nor today and that when she calls Joe phone, it continues to go to voicemail.
